Karen: What's that tweet there?
me: he means I replied to a tweet he had just made about Palantir referencing me
Karen: Where did Palantir reference you?
me: no, he referenced me and Palantir
me: and I quickly replied with a tweet about Palantir
Karen: Oh, "summoned" meaning "brought up the subject of"?
me: the joke is that I'm sort of the go-to guy on those firms
me: yes, Palantir didn't do anything
Karen: OK, just saw the word "summoned" and it scared me, thought it was in "grand jury"
me: I know, that's why I think it would be best for you to not follow these things so closely
Karen: OK, but you know I can't help it :)
me: yep
Karen: What did you have for supper?
me: a sort of compilation of hummus, chips, fruit, peanut butter and crackers
Karen: Oh, you like that snacky stuff, don't you..
Karen: The hummus and peanut butter are both protein though, so that's good.
me: I don't think hummus has much protein, actually
Karen: Yeah, it's made of chickpeas?
me: I remember checking back when I was in NYC and lifting weight with Josh
me: maybe it does
Karen: Same as pinto beans, etc., which are very healthy actually.
Karen: Nighty night, love you.
me: nighty night
